Dear all:

Our nomination committee has been working diligently to identify the next president for XYOAA who will continue to execute the vision and goals for our organization. It is my pleasure to announce that, Dr. Bo WANG has been elected as the incoming president effective immediately. Dr. Bo Wang has been an active member of XYOAA, board of the directors, and one of the strong leaders in many of our alumni's initiatives, including the establishment of the XYOAA-Yale China Association Scholarship Program. I am confident that he will serve XYOAA well with his vision, knowledge, experience, and dedication.

I would also like to take this opportunity to thank Dr. Zhang, Liming, the current president of XYOAA, who has done an outstanding job in leading our organization for the last two years and made phenomenal contribution in many aspects for our alumni. Dr. Zhang, Liming will work closely with Dr. Wang for the leadership transition.

Finally, I want to thank our nomination committee for their superb work in identifying great candidates for this important position.

I look forward to your continuous support of the leadership team for our alumni!
