1. This session allows alumni to socialize and to catch up.
2. Photo and painting exhibition starts in AM so that people have a place to hang around if they don't want attend the lectures. However the studio and workshop will start in PM. Bring your camera so our experts can teach you a few tricks for a better shot. Art works will be put for sale, with permission from the authors, to support XYOAA-YCA Scholarship.
3. Baking show will be arranged in 3 to 5 groups. Each group will work with a *MASTER* and play in the kitchen. After the opening ceremony, they will go to the hosts' families to prepare. Their work will be presented at the dinner gathering for a contest and as desserts. Costs for baking materials will be reimbursed. Register to join the groups.
4. Wine tasting provides a relaxed setting to mingle with friends. You will have a chance to taste a variety of wine from around the world. Share your experience with your friends. Don't worry if you are new to the wine world, we will provide you, free of charge, some quick guides, which are summarized in a 5-page-table format by one alumnus and will teach you the basics of how to enjoy and how to act or react at social events. A separate ticket for a nominal fee can be purchased at the door to support the XYOAA-YCA Scholarship Fund. Students are free.
5. Golf is tentatively scheduled pending number of participants.
6. Networking: Dinner will be provided through catering service. After dinner, entertainment will be organized in the main hall while socializing will be held in the reception area.
